

COME TO HAMBURG AND ENJOY AN INTERDISCIPLINARY AND COLORFUL EVENT!

HIGHLIGHTS

TOPIC ROOMS & MARKET OF IDEAS

Join our topic rooms for in-depth discussions, interactive workshops, and engaging presentations. Come to our "market of ideas" where you can network and meet new people interested in sustainable development. The topic rooms include:

- Education for Sustainable Development
- Reporting and Governance
- Sustainable Campus, Mobility, and Cities
- Responsibility & the Role of HEI for SDGs
- Methods & Perspectives for Transformational Processes

KEYNOTES & PANEL DISCUSSIONS

Start the days with interesting key-note speeches by societal, political, and academic actors or participate in one of the two main panel discussions.

EXCURSIONS

Finish your stay in Hamburg with excursions to exciting sustainability-related sights.

INNOVATIVE COMMUNICATION METHODS

Get insights into methods such as LEGO® Serious Play® to visualise complexity, create shared visions and three-dimensional solutions.

SUSTAINABILITY AT HIGHER EDUCATION INSTITUTIONS

WHAT IT IS ABOUT

Higher education institutions (HEI) are important actors in the development of modern societies. Their commitment to and inclusion in sustainable development is necessary to ensure transformational change towards a future that is envisioned in the UN Sustainable Development Goals (SDGs).

The HSDS addresses all actors who play an active role in this transformation process to present their research, discuss good practice examples and network.

GENERAL INFORMATION

Summit Days: September 26 - 29, 2017

Venue: Universität Hamburg

Hosted by: Center for a Sustainable University (KNU)

Registration link: <http://uhh.de/knu-hsds-registration>
